Dear Resident,

The City of Rincon has recently replaced your water meter to ensure that you are being provided an accurate reading in a timely manner. However, in order to provide you with better service, some additional equipment has been added to the lid of the water meter box. We ask that you use extreme caution when doing yard maintenance around your meter box, and avoid running over the top of the box of any equipment. There will be a \$15.00 charge for the antenna and \$20.00 for the box/lid if broken.

#### Contact Information

The City respectfully requests that you contact the Water Department if you have any concerns with your meter, and please leave the lid closed at all times. Tampering with or damaging the meter may result in a penalty and/or the cost to replace the damaged unit.

Sincerely,
