

**CITY OF RINCON RECREATION DEPARTMENT
BASEBALL & SOFTBALL 2003 SEASON**

1. It is your responsibility to start and end your practice on time.
2. Please have your team & parents clean up around stands & in the dugouts after every practice and game.
3. Please use the trashcans, and please help to keep restrooms clean!!!
4. When you finish practice, if you are last or if no one is waiting on the field, please make sure that you turn off the field lights and put up the pitching machine.
5. Please tell your parents to keep their children under supervision when they are at the ball field.
6. Please remember, anyone wanting to schedule the batting cage must call in advance.
NO CALL—NO BATTING CAGE.
7. Coaches, please remind your parents about good sportsmanship. Any team parents becoming irate will be asked to leave.
8. Any coach or coaches using profanity, will be suspended from the ball park for one game.
9. NO use of tobacco products inside the gates. Please help me enforce this. We don't want anyone smoking around these children.
10. **Absolutely no practices or team meetings on Sunday.**
11. Also, make sure to put up the pitching machines. We had a big problem with this last year. Unless someone says they will use it next, just roll it into the side room. Also, pitching machines are in the opposite side of the building this year. If you use a batting cage, make sure to put the machine up when you are through. The team behind you may need a machine but may need a different one.

COACHES RULE OF CONDUCT WILL BE INCLUDED WITH YOUR SCHEDULE. GAME SCHEDULES WILL BE READY AROUND MID MARCH.

THANK YOU COACHES FOR YOUR SUPPORT. RECREATION WOULD NOT BE POSSIBLE WITHOUT ALL THE VOLUNTEERS THAT GIVE THEIR TIME TO HELP BETTER THESE CHILDREN.

!!!!!! PLEASE REMEMBER TO SIGN UP FOR PRE SEASON TOURNAMENT AND ALSO SIGN UP FOR THE CERTIFICATION CLASS IF YOU HAVEN'T YET. DO NOT MISS THE DEADLINE.
